BROADWAY WEEK

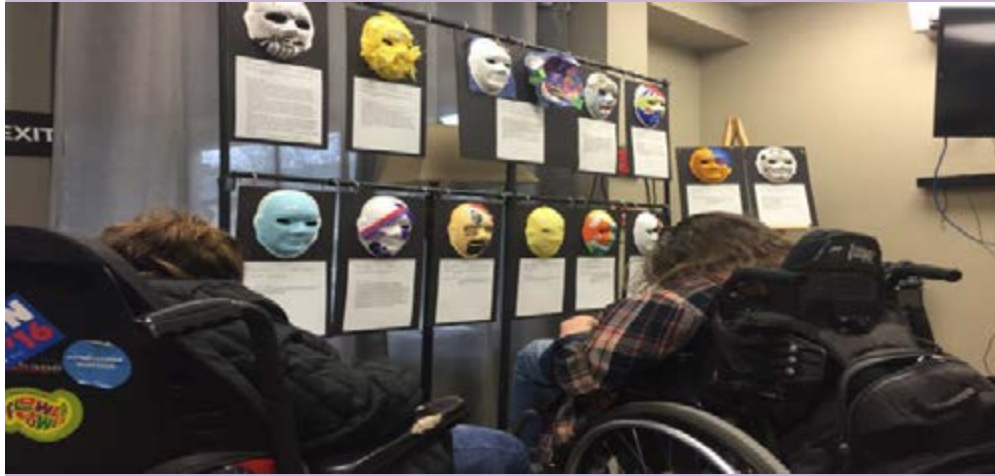

A group of clients and staff ventured into the city for another fabulous time at Broadway Week! This time, the group dined at a delicious steak house and saw the Broadway hit Waitress!

Unmasking The Brain Injury

Art Exhibit

On Wednesday, January 18th, Social Communication Group organized an art exhibit compiled of both masks made at PHPI and the Traveling Exhibit from Bryn Mawr Rehab. Social Communication group provided coffee and cookies while staff and clients enjoyed the beautiful display. Since the supplies for this project was generously donated through the organization, the members of Social Communication and Fundraising held a bake sale to raise money for them! Together we raised over \$330! Thank you to our generous staff and clients for their help!

Super Bowl 2017

Super Bowl 51 was a match up between the NFC champion, the Atlanta Falcons, and AFC champion, the New England Patriots. The Falcons went into the 4th quarter with a 28-9 lead over the Patriots, and just when you thought the game was over the Patriots made the greatest comeback in Super Bowl history tying the score 28-28. Outstanding performances were seen by both teams. However, the Patriots came out on top in the first ever Super Bowl overtime, winning the game 34-28. The Patriots have been to the Super Bowl, with a total of 5 wins!
